

# Safe

Steve Harley

Wherever you go  
Whatever you do  
However you feel  
I feel that way too.

Whatever you need  
I'm looking for you  
Whenever you bleed  
I'll be there for you.

I'll keep you safe  
When you're afraid I'll bring you here  
I'll keep you safe in here  
Yeah yeah yeah.

Wherever you go  
Whatever you do  
Wherever you are  
I'm always with you.

I'll keep you safe  
When you're afraid I'll bring you here  
I'll keep you safe in here  
Yeah yeah yeah.

La la la la la  
La la la la la ...
