Safe

Steve Harley

Wherever you go Whatever you do However you feel I feel that way too.

Whatever you need
I'm looking for you
Whenever you bleed
I'll be there for you.

I'll keep you safe
When you're afraid I'll bring you here
I'll keep you safe in here
Yeah yeah yeah.

Wherever you go
Whatever you do
Wherever you are
I'm always with you.

I'll keep you safe
When you're afraid I'll bring you here
I'll keep you safe in here
Yeah yeah yeah.
