Spaced Out

Steve Harley

One, two, three, four

Can't define the beauty or the rhyme inside my mind It my sense of love, a pride and precious time I can't confine my movements to any great decree Let's his thoughts so cool laugh A man's so wild and free, oh

Woah, I never wanna go back to where I've been There's a whole new world that I'm within

Oh, psychedelic can result Pornographic signs Flashing down on people The bright and knowing lights

Echoed sounds inside my mind My shattered senses hang Living here I'm feeding a light of a lovely man, oh

Woah, I never wanna go back to where I've be-be-been There's a whole new world that I'm within

Oh, oh, I said I never wanna go back to where I've been There's a whole new world that I'm within

Oh, swear I'll come down Spaced out Blind, deaf and destroyed I wanna lead and fade out My bit of heaven boys

Can't command the answer But I can demand the frame To take me back, oh-oh-oh Lead me to the end

Oh-oh-oh, I never wanna go back to where I've been There's a whole new world that I'm within

Oh, I said I never wanna go back to where I've been There's a whole new world I'm within Oh, oh

Wow Ferocious
