

# Such Is Life

Steve Harley

I think it's easier now  
Than before I had my head  
For so long I was white  
And everybody was red  
Such is me

I was wrong, you were right  
You knew it all the time  
I was listening death  
Committing heinous crimes  
This is dreams, this is fear

(Such is life)  
Never easy fun  
(Such is life)  
You can beat anyone  
(Such is life)  
No bullets for your gun  
Such is life

Give me something to say  
I steal the words from your head  
This is no idle words  
Me pistols loaded red  
Such is death

Show me something to do  
Or I'll steal all your ideas  
All creations a thief  
No nature to commend  
This is fear, this is this

(Such is life)  
Never easy fun  
(Such is life)  
You can beat anyone  
(Such is life)  
No bullets for your gun  
Such is life

I think it's easier now  
The pistol at my head  
For a time I was white  
And everybody was red  
This is fear, this is this

(Such is life)  
Never easy fun  
(Such is life)  
You can beat anyone  
(Such is life)  
No bullets for your gun  
Such is life

(Such is life)  
Never easy fun  
(Such is life)

You can beat anyone  
(Such is life)  
No bullets for your gun  
Such is life

(Such is life)  
Never easy fun  
(Such is life)  
You can beat anyone  
(Such is life)  
No bullets for your gun  
Such is life

(Such is life)  
Never easy fun  
(Such is life)  
You can beat anyone  
(Such is life)
