

# Judas

Steve Harris

Like velvet to your touch  
I put your name upon my arm  
Delicious to my eyes  
My bird of paradise

I thought that I knew you  
I was so happy  
You were my lover  
And we were gospel

My substitute for sadness  
Like porcelain in pieces

I believed in you I bowed down to you  
I was the fool I loved you too  
And you took me up and you shook me down  
You're Judas you're Judas, Judas

Your apocalypse was mine  
My sweet Mary  
A tidal wave is coming  
Wash away wash away

We drank of the water  
Tripped on the rainbow  
I was so happy  
Is there a ghost of a chance now

Won't someone talk to me now  
I'm porcelain in pieces in pieces

I believed in you I bowed down to you  
I was the fool I loved you too  
And you took me up and you shook me down  
You're Judas you're Judas my Judas... Judas

Lover I thought I knew you  
Say good bye to the old world  
Behind the man eyes of a child  
I hear I see you well

Would you talk with me  
Come and walk with me  
Give me a sign  
Give me a clue

'Cause I loved you I was the fool  
Believe in me believe in me  
I'm Judas yeah Judas... Judas

I believed in you I bowed down to you  
I was the fool I loved you too  
And you took me up and you shook me down  
You're Judas you're Judas my Judas
