

# This Is My God

Steve Harris

I've been going round in circles  
History reveals its echoes  
Do you show a little kindness  
I can see only blindness

I've been searching for salvation  
I can taste this desperation  
Hide away this face in shame  
Come on take me as I am

Come on and save me  
Come on and free me  
Come on and heal me  
'Cause this is my God  
I've found my God  
This is my love... my love

You are the calm I am the war  
Sleeping beauty on my bed  
There's a whisper from the life force  
And the season's running scared

Come on and save me  
Come on and free me  
Come on and touch me  
'Cause this is my God  
I've found my God  
You are my love... my love

Blessed are the children  
That are raised among killers  
The making of an Einstein  
The making of a Hitler

Can you hear me  
For I'm only bleeding

Come on and save me  
Come on and free me  
Come on and touch me  
'Cause this is my God  
I've found my God  
You are my love... my love

See me... hear me...  
Touch me... love me...
