

# She's So...

Steve Holy

I send her flowers and letters to let her know  
Oh, what she does to me  
And how I go a little crazy  
When I try to say it to her out loud  
The words don't come out  
She's so

Know what I mean  
You know what I mean  
She's so hard to explain  
So hard to explain  
She's so I just don't know  
I don't know how it could be so hard to define  
She drives me out of my mind  
She's so

She gives my poor heart a workout  
When she walks by  
I get excited in a blink of an eye  
The best thing about her really gets to me  
She doesn't see that she's so

Know what I mean  
You know what I mean  
She's so hard to explain  
So hard to explain  
She's so I just don't know  
I don't know how it could be so hard to define  
She drives me out of my mind  
She's so

Just when I find the words to begin  
Here's she comes again  
She's so hard to define  
She drives me out of my mind

Know what I mean  
You know what I mean  
She's so hard to explain  
So hard to explain  
She's so I just don't know  
I don't know how it could be so hard to define  
She drives me out of my mind  
She's so

Know what I mean  
You know what I mean  
She's so hard to explain  
So hard to explain  
She's so I just don't know  
I don't know how it could be so hard to define  
She drives me out of my mind  
She's so
