

Silvermine

Steve Kilbey

Silvermine, I'm falling into this
Silvermine and no way through
Silvermine I can't relinquish this
Silvermine neither can you

I led him down to it
Can't get 'round to it
I led him down to it too
I let him loose in it
Can't get used to it
I let him loose in it too

Silvermine I'm slipping into this
Silvermine and no way through
Silvermine I can't remember this
Silvermine neither can you
