

Fanny Mae

Steve Miller Band

I know, my baby told me so
Yes, I know, my baby told me so
She said I'm leavin' you, daddy
Got such a long way to go

Well, I can hear your phone ringin', baby all down that line
Yes I can hear your phone ringin', baby all down that line
And when I hear your phone ringin'
I know you're not far behind

Fanny Mae, baby won't you please come home
Now I'm so tired livin' all alone
