## Fanny Mae

## **Steve Miller Band**

I know, my baby told me so Yes, I know, my baby told me so She said I'm leavin' you, daddy Got such a long way to go

Well, I can hear your phone ringin', baby all down that line Yes I can hear your phone ringin', baby all down that line And when I hear your phone ringin' I know you're not far behind

Fanny Mae, baby won't you please come home Now I'm so tired livin' all alone
