

# I Ain't Got You

Steve Miller Band

I got women on the right of me  
I got women on the left of me  
I got women all around me  
But I ain't got you

I got an Eldorado Cadillac  
With a spare tire on the back  
I got a charge account at the bank  
But I ain't got you

I got a tavern, a package store  
It's the number four forty-four  
I got a mojo, don't you know?  
I'm all dressed up with no place to go

I got an Eldorado Cadillac  
With a spare tire on the back  
I got a charge account at the bank  
But I ain't got you

I got a tavern, a package store  
It's the number four forty-four  
I got a mojo, don't you know?  
I'm all dressed up with no place to go

Got women on the right of me  
I got women on the left of me  
I got women all around me  
But I ain't got you

Said, I ain't got you  
Babe, I ain't got you  
Ain't got you  
Oh, what I gonna do?  
Girl, I ain't got you
