(Just a little bit)

Babe, I don't want it all (Just a little)  
I just want a little bit  
I don't want it all (Just a little bit)  
I just want a little bit

Just a little teeny bit, just an eeny-weeny bit of your love

Turn your lamp down low (Just a little)  
Baby, I love you so  
Turn your lamp down low (Just a little bit)  
Baby, I love you so  
Just a little teeny bit, just an eeny-weeny bit of your love

(Just a little)  
Could be a spoonful of coffee  
Could be a spoonful of gold  
Just a little spoonful of your precious love satisfies my soul

I don't want it all (Just a little, just a little bit)  
I just want a little bit  
I don't want it all (Just a little, just a little bit)  
I just want a little bit  
Just a little teeny bit, just an eeny-weeny bit  
Just a little teeny bit, just an eeny-weeny bit  
Just a little teeny bit, eeny-weeny bit of your love  
Woo Woo Wooooo

Babe, I don't want it all  
(Just a little teeny bit, just an eeny-weeny bit)  
(Just a little teeny bit, just an eeny-weeny bit)  
(Just a little teeny bit)  
(Just a little bit)  
(Just a little)  
(Just a little bit)

You know it could be a spoonful of coffee  
Could be a spoonful of gold  
Just a little spoonful of your precious love satisfies my soul

Babe, I don't want it all (Just a little)  
I just want a little bit (Just a little bit)  
I don't want it all (Just a little bit)  
I just want a little bit (A little bit)

Just a little teeny bit, just an eeny-weeny bit  
Just a little teeny bit, just an eeny-weeny bit  
Just a little teeny bit, eeny-weeny bit of your love
