Little Girl

Steve Miller Band

Oh little girl, all mine Hey, you sure are fine I'm gonna take you home That's where you belong

Cause you were born to discover You're made to love the good things Yes, you were

Oh little girl, so fine I'm goin' to make you mine Reach out my hand I know you understand

Cause you were born to discover You're made to love the good things Yes, you were

Let me hear you say I, I love you Let me hear you say I, I love you Let me hear you say I, I love you Let me hear you say I, I love you

Cause you were born to discover You're made to love the good things Yes, you were

Come on

Let me hear you say I, I love you Let me hear you say I, I love you Let me hear you say I, I love you Let me hear you say I, I love you

Cause you were born to discover You're made to love the good things Yes, you were Come on Iii, whoa, yes
