Never Kill Another Man

Steve Miller Band

When the wind blows you home To the shores of home Will you be one of those Who killed another man

When the wind blows you home To the shores of home Will you be one Who killed another man Killed another man Killed another man

If I can make it through this life
If I can make it through this life
If I can make it
If I can make it
I'll never kill another man
As my time rolls out
As my time rolls out
If I can make it
If I can make it
I'll never kill another man with these hands
Never kill another man
