

# Sugar Babe

Steve Miller Band

Way down in Alabama  
There's a girl just a waitin' for me  
She don't have to worry  
She don't have to hurry  
Lord, I keep her so happy

She's my sugar baby  
Sugar, sugar baby  
Sugar baby  
Sugar, sugar baby

Lordy, Lordy pretty mama  
Yes you're tough enough  
Lordy, Lordy mama  
Go on and strut your stuff

My sugar baby  
Sugar, sugar baby  
Sugar baby  
Sugar baby

You know this love  
Is gonna keep on gettin' stronger  
You know my love  
Is gonna last you longer

Sugar baby  
Sugar, sugar baby  
Sugar baby  
Sugar, sugar baby

Sugar baby  
Sugar, sugar baby  
Sugar baby  
Sugar, sugar baby

You know this love  
Is gonna keep on gettin' stronger  
You know my love  
Is gonna last you longer

Sugar baby  
Sugar, sugar baby  
Sugar baby  
Sugar baby
