Lies are like stones. They sink in
Pull in the air you re breathing
You can keep it inside
The devil will reside if you let him
Our hearts are all barricaded
And the poisons will decorate it
I wanna know love
I wanna be where you are
So show me the way
I wanna be like that
I wanna hear you call my name and not look back

Cause all the faint lights
They left me stranded and lost
Reaching through empty pockets trying to pay my cost
I put up a fight
But now itOs taking its toll
IOm waiting for something to set fire
Wake up my soul

All the people are trapped on freeways
With signs that say <code>OHave</code> it your way<code>O</code>
But we all lost track soon as we got control
So show me the way
I wanna be like that
And I wanna hear you call my name and not look back

Cause all the faint lights
They left me stranded and lost
Reaching through empty pockets trying to pay my cost
I put up a fight
But now itOs taking its toll
IOm waiting for something to set fire
Wake up my soul

When the weight is on, I feel alone Trapped inside my flesh and bones But if I let go of everything The stars compose a song to sing

A song for all the faint lights
They left me stranded and lost
Reaching through empty pockets trying to pay my cost
I put up a fight
But now itOs taking its toll
IOm waiting for something to set fire
Wake up my soul
