

# Why We Said Goodbye

Steve Moakler

Goodbye ay ay ay ay ay ay~  
Why we said goodbye  
Bye ay ay ay ay ay ay~  
Why we said goodbye

I've never been one to make anything easy,  
But if I bite my tongue while you're moving on,  
Would your ghost ever leave me?

Did I speak too soon when I said goodbye?  
Was I scared of love?  
Is that what it was that you saw in my eyes?

Chorus

Now that you're gone, the fact is fiction  
Now that you're gone, I've lost my mind  
Now that you're gone, I can't remember why we said goodbye ay a  
y ay ay ay  
Ay~  
Why we said goodbye?  
Ay ay ay ay ay ay ay~  
Why we said

Isn't that just life?  
Ain't the grass so green on the other side, for you and I,  
Is that where we're supposed to be?  
Oh

Chorus

Oh, we could give it one more try  
Oh, I don't want to say goodbye

Chorus
