

I Stand Alone

Steve Perry

I Stand Alone

I know the sound of each rock and stone
I embrace what others fear
You are not to roam in this forgotten place
Just the likes of me are welcome here

Everything breathes
And I know each breath
It's more than enough for this man

Like every tree stands on its own
Reaching for the sky I stand alone
I share my world
With no one else
All by myself I stand alone

Deep in the darkness my heart still sees
Everything that I'll never be
Behind these eyes I'll go everywhere
There's no need for sympathy
Everything breathes and I know each breath
In my world there's no compromise

Like every tree stands on its own
Oh reaching for the sky I stand alone
I share my world with no one else
All by myself...

Still
I will remember
Still
I'll run with you, yes
And when it's time for you to go
Take me in your heart

Like every tree
Stands on its own
Oh reaching for the sky I stand alone
I share my world with no one else
All by myself
I stand alone

All by myself... all by myself
I stand alone
