I Stand Alone

I Stand Alone

I know the sound of each rock and stone I embrace what others fear You are not to roam in this forgotten place Just the likes of me are welcome here

Everything breathes And I know each breath It's more than enough for this man

Like every tree stands on its own Reaching for the sky I stand alone I share my world With no one else All by myself I stand alone

Deep in the darkness my heart still sees Everything that I'll never be Behind these eyes I'll go everywhere There's no need for sympathy Everything breathes and I know each breath In my world there's no compromise

Like every tree stands on its own Oh reaching for the sky I stand alone I share my world with no one else All by myself...

Still
I will remember
Still
I'll run with you, yes
And when it's time for you to go
Take me in your heart

Like every tree Stands on its own Oh reaching for the sky I stand alone I share my world with noone else All by myself I stand alone

All by myself... all by myself I stand alone
