

# One More Time

Steve Perry

Why, why should I feel so sad  
Thinking of times  
When life was a smile  
I've dreamed of turning back time  
To memories so dear  
Now I'm here  
Where I must go on

When I close my eyes  
I long to be there  
One more time

Sometimes I look back and smile  
With a tear  
No end at all  
Never go back  
Anymore

When I close my eyes  
I long to be there  
One more time

I know tomorrow  
I'll look on today  
So now I step back  
And reach for a smile for now  
Here's my yesterday

When I close my eyes  
I long to be there  
One more time
