She's Mine

Steve Perry

I've seen your kind before I've seen you creepin' around Before you come 'round my door Oh, there's one thing you got to know

She's mine, all mine Don't show your face here no more She's mine, all mine Don't hang around here no more

I heard her call out your name Late last night in her sleep That's why I came here to say No, it won't be easy to steal her away

She's mine, all mine Don't show your face here no more She's mine, all mine Don't hang around here no more Go

You've got her under your spell And she's believin' your lies You'd like her at your hotel, oh No, not as long as I'm alive

She's mine, all mine Don't show your face here no more She's mine, all mine Don't hang around here no more, more, more, more

Oh, she's mine Don't show your face here no more No, no, no, no Don't hang around Don't hang Don't hang around no more
