Stand Up (Before It's Too Late)

Steve Perry

Is this just a dream Livin' in a fantasy Surrendering our hope Never, never Teaching old mistakes Deep from in a memory Two is forever One stands apart Love's forgotten, the pain from the start Hate for each other, so blind to kill 'Cause it will, yes it will (Stand up) stand up (before it's too late) This is not a dream no (Stand up) stand up (before it's too late) And we walk hopelessly What we leave behind Is it fools' reality Heaven is a child, I know You know Fear is forever, both stand apart When love's forgotten The tears from the start (Stand up) stand up (before it's too late) This is not a dream, no Sorrow, sorrow, Surroundin' my soul Cry no more All's forgiven Two is forever One stands apart When love's forgotten The tears from the start So so unfair We turn away, and I know, Yes I know (Stand up) stand up (before it's too late) This is not a dream, no (Stand up) stand up (before it's too late) Stand (stand up) Before
