

# I Want To Be A Clone

Steve Taylor

I'd gone through so much other stuff  
that walking down the aisle was tough  
but now I know it's not enough  
I want to be a clone

I asked the Lord into my heart  
they said that was the way to start  
but now you've got to play the part  
I want to be a clone

Be a clone and kiss conviction goodnight  
cloneliness is next to Godliness, right?  
I'm grateful that they show the way  
'cause I could never know the way  
to serve him on my own  
I want to be a clone

They told me that I'd fall away  
unless I followed what they say  
who needs the Bible anyway?  
I want to be a clone

Their language it was new to me  
but Christianese got through to me  
now I can speak it fluently  
I want to be a clone

Send in the clones  
Ah, I kind of wanted to tell my friends and people about it, you know  
What?  
You're still a babe  
you have to grow  
give it twenty years or so  
'cause if you want to be one of his  
got to act like one of us

So now I see the whole design  
my church is an assmebly line  
the parts are there  
I'm feeling fine  
I want to be a clone

I've learned enough to stay afloat  
but not so much I rock the boat  
I'm glad they shoved it down my throat  
I want to be a clone

Everybody must get cloned
