

# To Forgive

Steve Taylor

I saw a man  
He was holding the hand  
That had fired a gun at his heart  
Oh, will we live  
To forgive?

I saw the eyes  
And the look of surprise  
As he left an indelible mark  
Oh, will we live?  
To forgive?

Come, find release  
Go, make your peace

Follow his lead  
Let the madness recede  
When we shatter the cycle of pain  
Oh, we will live  
To forgive

Come, find release  
Go, make your peace

I saw a man  
With a hole in His hand  
Who could offer the miracle cure  
Oh, He said live  
I forgive

Oh, He said live  
To forgive  
Oh, He said live  
To forgive
