

# Close To You

Steve Tyrell

Why do birds suddenly appear  
Every time you are near  
And just like me, they long to be  
Close to you

Why do stars fall down from the sky  
Every time you walk by  
Just like me, they long to be,  
Close to you

On the day that you were born the angles got together  
And decided to created a dream come true  
So they sprinkle moon dust in your hair  
And golden starlight in your eyes to gloom

Thats why all the guys in town  
Follow you all around  
Just like me, they long to be,  
Close to you

On the day that you were born the angles got together  
And decided to created a dream come true  
So they sprinkle moon dust in your hair  
And golden starlight in your eyes to gloom

Thats why all the guys in town  
Follow you all around  
Just like me, they long to be,  
Close to you

Close to you,  
I wanna be close to you  
I wanna be close to you  
So close, so close baby  
I wanna be close to you  
So close, so close girl  
I wanna be close to you
