For All We Know

For all we know We may never meet again Before you go Make this moment sweet again

We won't say goodnight Until the last minute I'll hold out my hand And my heart will be in it

For all we know This may only be a drea We come and we go Like the ripple on a stream

So love me, love me tonight Tomorrow was made for some Tomorrow may never come For all we know, we know

So love me, love me tonight Tomorrow was made for some Tomorrow may never come For all we know, we know **Steve Tyrell**
