## I Just Don't Know What To Do With Myself

## **Steve Tyrell**

I just don't know what to do with myself Don't know just what to do with myself I'm so used to doing everything with you Planning everything for two And now that we're through

I just don't know what to do with my time I'm so lonesome for you it's a crime Going to a movie only makes me sad Parties make me feel as bad when I'm not with you I just don't know what to do

Like a summer rose needs the sun and the rain I need your sweet love to ease all the pain

I just don't know what to do with myself Don't know just what to do with myself Baby if your new love ever turns you down Come on back I will be around, just waiting for you I don't know what else to do I don't know what else to do
