I'm In The Mood For Love

I'm in the mood for love Simply because you're near me Funny, but when you're near me I'm in the mood for love

Heaven was in your eyes Bright as the stars we're under Oh, is it any wonder? I'm in the mood for love

Why should we think of weather? This little dream might fade We'll put our hearts together Now we are one, I'm not afraid

If there's a cloud above If it should rain, we'll let it But, for tonight, forget it I'm in the mood

So please don't keep me waiting You'll never lose My heart is yours for taking, darling I'm in the mood for love **Steve Tyrell**
