## Just In Time

**Steve Tyrell** 

Let's go

Just in time, you found me just in time Before you came my time was running low I was lost, then losing dice were tossed My bridges all were crossed, nowhere to go

Now you're here now, I know just where I'm going No more doubt or fear I've found my way For love came just in time, you found me just in time And changed my lonely nights that lucky day

Just in time

Before you came my time was running low, oh baby I was lost, then losing dice were tossed My bridges all were crossed nowhere to go

Now you're here now, I know just where I'm going No more doubt or fear, I've done found my way For love came just in time, you've found me just in time And changed my lonely nights, and changed my lonely nights

Oh, oh, oh, oh And changed my lonely nights And changed my lonely nights, oh And changed my lonely nights that lucky day
