

One Less Bell To Answer

Steve Tyrell

One less bell to answer, one less egg to fry
One less gal to look after, I should be happy
But all I do is cry

Cry cry no more left to hold

Why did she go
I know that since she left
My life's so empty
Though I try to forget to
It just cant be done
Each time the doorbell rings
I still run
I don't know how in the world
To stop thinking of her
Cause I still lover her so
Each day though, I start out
Crying my heart out

One less gal to look after, no more laughter
No more love
Since she went oh she went away

One less bell to answer
Why did she leave
Oh why, why did she leave me
Why did she go away
One less bell to answer
All I do is cry
Oh why, why did she leave me
Why did she go away
One less bell to answer
All I do is cry
Why did she leave me
