What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No, not just for some but for everyone

Lord, we don't need another mountain
There are mountains and hillsides enough to climb
And there are oceans and rivers enough to cross, enough
to last
Till the end of time

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No, not just for some but for everyone

Lord, we don't need another meadow

There are cornfields and wheat fields enough to grow

There are sunbeams and moonbeams enough to shine

Oh listen Lord if you wanna know

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No, not just for some but just for everyone, everyone

What the world needs now is love, sweet love What the world needs now is love, sweet love Sweet, sweet, sweet love

What the world needs right about now is love, sweet love

What the world needs now is love, sweet love What the world needs now is love, sweet love

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No, not just for some, oh but just for everyone, everyone

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love
