

# Aching Hunger

Steve Vai

When I look down into my soul  
I can see you bleeding  
It's so tragic that I can't control  
These wreckless feelings

I'd stand naked in the freezing wind  
To your glory and honor  
But how can I win this war  
When I can't even face the battle

And here in my Garden Of Eden  
There's a coming thunder  
Well maybe if it tears me to pieces it will  
Kill this aching hunger

And it hurts  
You know it hurts so good  
Oh it hurts

I said  
Maybe in time peace will reign  
And end this insanity  
Maybe the meek shall inherit the earth  
But I pray you inherit me

But now my Garden Of Eden  
Is a barren tundra  
If you could cut into my heart  
You would touch my aching hunger

And it hurts  
You know it hurts so good  
Oh God it hurts  
It hurts

Ya, and I let it burn  
Because I like it  
I don't mind the infection  
Now it's comin' down  
It's comin' down hard  
It's crashin' on me

It's in a twinkle  
It's in a breeze  
And it passes  
So subtle and elusively  
Try to grab it  
But it's gone and the rage that it fires up  
Is like a blow torch in your face

And it hurts  
Oh it hurts  
Yeah, you know it hurts so good  
Oh it hurts
