

Paint Me Your Face

Steve Vai

I'm just the paint
You paint the picture
What are you seeing?
What are you feeling?
And all my colors
For your creating
Is your rainbow
Black and blue
Or your heavens,
Cherry Blossoms?
But what do you cover
With your ocean of colors?
Secrets? Regrets?
Who are you
Through and through?
See who you are
Deep in the core
Under the paint
Under It All
Paint me your face
And please be revealing
What are you dreaming?
What are you praying for?
