

# I Just Do

Steve Wariner

Everybody say's that I'm a fool  
For the way that I love you  
But it just happened I don't have a choice  
I can't help it I just do.

You can't stop the rain from falling down  
Or make the sunshine not kiss the ground  
And I can't tell this broken heart to stop loving you  
No I can't help it I just do.

I miss you sleeping softly next to me  
Yes I had it all when I had you  
Tell me how can anyone love someone so much  
I can't help it I just do.

You can't stop the rain from falling down  
Or make the sunshine not kiss the ground  
And I can't tell this broken heart to stop loving you  
No I can't help it I just do...
