Life's Highway

Steve Wariner

Sun is up time's at hand There's a stir across the land And so begins another day On life's highway

On city streets down country roads Like a stream the people flow There's bread to win and tolls to pay On life's highway

There is hope with every turn A bridge to build, a bridge to burn Here's hoping you never go astray On life's highway

We are young then we're old Passing through then passing on Like the roses bloom and fade On life's highway

Step by step, round and round Never knowing where we're bound From the cradle to the grave On life's highway

There is hope with every turn A bridge to build, a bridge to burn Here's hoping you never go astray On life's highway

Sun is up time's at hand There's a stir across the land And so begins another day On life's highway
