

# Missing You

Steve Wariner

I live for the phone  
I die for the mail  
I took your picture  
Right off the nail.  
And put it right by my bed  
So I could see you instead  
Of the darkness of night.  
I hold conversations  
With you in my mind  
They only tighten  
This knot deep inside  
And the aching won't end  
Till I hold you again  
If I only survive.  
Why did you have to go  
Why am I missing you so  
One heartbeat at a time  
I'm going out of my mind  
Missing you, missing you.  
I started a letter  
I stared at your name  
There wasn't a line  
That didn't echo my pain  
There was no sound at all  
But the snow lonely falls  
Of an unspoken tear.  
Why did you have to go  
Why am I missing you so  
One heartbeat at a time  
I'm going out of my mind  
Missing you, missing you.  
Life may take us  
In different directions  
But I always end up deeper  
Deeper in my true affection.  
Why did you have to go  
Why am I missing you so  
One heartbeat at a time  
I'm going out of my mind  
Missing you, missing you.  
Missing you, missing you  
Missing you, missing you  
Missing you, missing you  
Missing you, darling.  
Missing you baby.  
Missing you, missing you...
