## **That's Love For You**

**Steve Wariner** 

Well, you say you wanna know where I stand Before you fall You say love's definition is not The same for us all Well, I can understand why you're afraid And just so we're both on the same page Let me try and make this whole thing clear.

I'm talkin' pure devotion
A won't-be-denied emotion
Deeper than the ocean
Well that's love for you
It's unexplainable, uncontainable, irreplaceable
Well, you know that it's true
That's love for you.

You'll see my interpretation of love Is right on the mark If you'll give me half a chance And follow your heart Forever's what I've got in mind So let me say this one more time And make it as simple as I can.

I'm talkin' pure devotion A won't-be-denied emotion Deeper than the ocean Well, that's love for you It's uncondtional, irresistable, unpredictable Well, you know that it's true That's love for you.

I'm talkin' pure devotion
A won't-be-denied emotion
Deeper than the ocean
Well, that's love for you
It's unbelievable, it's invincible, indivisible
Well, you know that it's true
That's love for you...
