

The Same Mistake Again

Steve Wariner

Now that it's all over
Now that you broke my heart
It's plain to see that you and me
Were wrong right from the start.
Hindsight's 20-20
And love was blind back then
Anyway with half a chance
I'd make the same mistake, again.
On the way to your new love
I was just your stepping stone
Guess I should have sensed it
Somehow I should have known.
But knowing what I know now
Even knowing where it ends
God knows with half a chance
I'd make the same mistake again.

Though you're gone forever
Life will never be the same
Even though I go to pieces
Every time I hear your name.
I still say the wrong choice
Was the right one way back then
I swear with half a chance
I'd make the same mistake again.
On the way to your new love
I was just your stepping stone
Guess I should have sensed it
Somehow I should have known.
But knowing what I know now
Even knowing where it ends
God knows with half a chance
I'd make the same mistake again...
