

Where Did I Go Wrong

Steve Wariner

When you told me that you loved me, I believed every single word you said
Then you showed me you didn't mean it, you loved somebody else instead.
I know you've got a right to find someone new
but I've got a right to feel this way too.

Where did I go wrong
Where did he go right
I know I'd won the battle if I'd know there was a fight
I can't stand the thought of never holding you tight.
Where did I go wrong and he go right.

There was something all around us like I've never felt before
Guess I should have seen the warnings but I was busy coming back for more
I know you've got a right to change your mind
but I've got a right to be losing mine.
Where did I go wrong....he go right
