

Dimples

Steve Winwood

Walk that walk
Yeah, talk that talk
Won't you walk that walk
You're my babe,
I got my eyes on you

You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You're my babe, I got my eyes on you

I love to see you switch
Saunter up and down the floor
Yeah, I love to see you switch
You're my babe, I got my eyes on you

You got dimples in your jaw
