

Fill Me Up

Steve Winwood

Thy will be done

You came into my life, you made it alright
You showed me who I could be
You gave me your vision gave me inspiration
You helped my eyes to see

When I worked out what you
Had worked in me
I found out how precious
Life can be, so

Fill me up with your love
(Thy will be done)
Fill me up with your tenderness
Fill me up with your love
Fill me up and help me to grow

There was a time when I was blind
I had no faith, I had no pride, no
I wasted lots of precious time
Thinking of myself and my own mind

Then you picked me up
And revealed your love
You shined your light on me
And renewed my soul, so

(Fill me up, fill me up)
Bring your lovin' home to me
(Fill me up, fill me up)
Show me how love's supposed to be
(Fill me up, fill me up)
Bring your lovin' home to me
(Fill me up, fill me up)
Show me how love can grow

Then you picked me up
And revealed your love
You shined your light on me
And renewed my soul, so
