

Had to Cry Today

Steve Winwood

It's already written that today will be one to remember
The feeling's the same as being outside of the law
Had to cry today
Well, I saw your sign and I missed you there

I'm taking the chance to see the wind in your eyes while I listen
You say you can't reach me but you want every word to be free
Had to cry today
Well, I saw your sign and I missed you there
And I missed you there

Had to cry today
