Had to Cry Today

Steve Winwood

It's already written that today will be one to remember The feeling's the same as being outside of the law Had to cry today Well, I saw your sign and I missed you there I'm taking the chance to see the wind in your eyes while I list

en You say you can't reach me but you want every word to be free Had to cry today Well, I saw your sign and I missed you there And I missed you there

Had to cry today
