

## Pearly Queen

Steve Winwood

I bought a sequined suit from a pearly queen  
And she could drink more wine than I've ever seen  
She had some gypsy's blood flowing through her feet  
And when the time was right she said that I would meet my destiny

I traveled 'round the world to find the sun  
I couldn't stop myself from having fun  
Then one day I met an Indian girl  
And she made me forget this troubled world we're living in  
Yeah

I had a strange dream in my hair  
I saw a pearly queen lying there  
And all around her feet flowers bloomed  
But they were made of silk and sequins two by two

I bought a sequined suit from a pearly queen  
And she could drink more wine than I've ever seen  
And she had some gypsy's blood flowing through her feet  
And when the time was right she said that I would meet my destiny  
Yeah

I traveled 'round the world to find the sun  
I couldn't stop myself from having fun  
Then one day I met an Indian girl  
And she made me forget this troubled world we're living in
