Roll with It

Steve Winwood

When life is too much, roll with it, baby
Don't stop and lose your touch, oh no, baby
Hard times knocking on your door
I'll tell them you ain't there no more
Get on through it, roll with it, baby
Luck'll come and then slip away,Yu've gotta move, bring it back
to stay

You just roll with it, baby Come on and just roll with it, baby You and me, roll with it, baby Hang on and just roll with it, baby

The way that you love is good as money I swear by stars above, sweet as honey People think you're down and out You show them what it's all about You can make it, roll with it, baby When this world turns its back on you Hang in and do that sweet thing you do

You just roll with it, baby You just roll with it, baby Come on and just roll with it, baby You and me, just roll with it, baby

Now there'll be a day you'll get there, baby You'll hear the music play, you'll dance, baby You'll leave bad times way behind Nothing but good times on your mind You can do it, roll with it, baby Then you'll see life will be so nice It's just a step up to paradise You just roll with it, baby You just roll with it, baby You and me, just roll with it, baby Come on and just roll with it, baby
