

# Sleeping in the Ground

Steve Winwood

I would rather see you  
Sleeping in the ground  
I would rather see you  
Sleeping in the ground  
Than to stay around here  
If you're gonna put me down

Well, I give you all my money  
Everything I own  
Well, I give you all my money  
Everything I own  
Well, some day I'm gonna get lucky  
And down the road you know I'm goin'

Well, I would rather see you  
Sleeping in the ground  
Well, I would rather see you  
Sleeping in the ground  
Than to stay around here  
If you're gonna put me down

You know I give you all my money  
Yeah little girl, everything I own  
Well, I give you all my money  
Everything I own  
Well, today I'm gonna get lucky  
And down the road you know I'm goin'
