

# Somebody Help Me

Steve Winwood

Somebody help me, yeah  
Somebody help me now  
Won't somebody tell me  
What I've done wrong

When I was just  
A little boy of seventeen  
I had a girl  
She was my queen  
She didn't love me like I loved her  
Now I know  
Now I'm so lonesome on my own

Somebody help me, yeah  
Somebody help me now  
Won't somebody tell me  
What I've done wrong

I need someone in my life  
I need a girl to hold me tight  
Someone who can make me feel  
Make me feel all right

Somebody help me, yeah  
Somebody help me now  
On't somebody tell me  
What I've done wrong

Somebody help me, yeah  
Somebody help me now  
Somebody help me, yeah  
Somebody help me now  
Somebody help me, yeah  
Somebody help me now
