

# Under My Thumb

Steve Winwood

Under my thumb's the girl who once had her way  
Under my thumb's a girl who once had her day  
It's down to me, oh the way she does when she's spoken to  
It's down to me, the change has come and she's under my thumb

Under my thumb's that girl who once had her way  
Under my thumb's a girl who had her day  
It's down to me, oh the difference in the clothes she wears  
It's down to me, the change has come and she's under my thumb

Under my thumb's a siamese cat of a girl  
Under my thumb, she's the sweetest pet in this world  
It's down to me, oh the difference in the clothes she wears  
It's down to me, the change has come and she's under my thumb

Under my thumb's a girl who once had her day  
Under my thumb's the girl who once had me down  
It's down to me, oh the way she talks when she's spoken to  
It's down to me, the change has come and she's under my thumb

The change has come, oh yeah and she's under my thumb  
The change has come, yeah he's come and she's under my thumb  
The change has come, oo oh and she's under my thumb  
The change has come and she's under my thumb
