

# If You Should Ever Need A Fool

Steve Wynn

By: Steve Wynn & Jon Klages

From: It's Too Late To Stop Now (KCRW Radio broadcast, july 1988)

If you ever  
if you should ever need a fool  
and if you ever  
need a place you can run to  
I will hold you in my arms  
shelter you from harm  
what else could I do  
I would be there  
if you should ever need a fool  
if you ever  
need a place that you can hide  
and if you ever  
need a place that's warm inside  
I will rise up to the call  
no questions asked at all  
what else could I do  
I will be there  
if you should ever need a fool  
(guitar)  
I would rise up to the call  
no questions asked at all  
what else could I do  
I would be there  
if you should ever need a fool (4X)
