All About Love

Steven Curtis Chapman

We've got CD sets and videos, radio and TV shows Conferences, retreats and seminars We've got books and magazines to read on everything from A to Z And a web to surf from anywhere we are But I hope with all this information buzzing through our brains That we will not let our hearts forget the most important thing

Is love, love, love, love, love It's all about love, love, love, love, love Everything else comes down to this Nothing any higher on the list than love It's all about love

Now they're fighting in the middle east And they're fighting down on Seventh Street And there are fights in my own house on given days It's like something's lurking deep inside That can't seem to be satisfied But life was not meant to be lived this way 'Cause it's true for every man and woman Every boy and girl That our only hope for living here together in this world

Is love, love, love, love, love It's all about love, love, love, love, love Everything else comes down to this Nothing any higher on the list than love

This is the reason we were made To know the love of our Creator And to give the love He's given us away Yeah, the Maker, and the Father, and the God of everything He says to love, love, love He says love, love, love Love, love, love 'Cause after all, it's all about love

Gods says love, love, love, love, love, yea yea It's all about love, love, love, love, love (love love love) Everything else comes down to this Nothing any higher on the list than love 'Cause after all, it's all about love

That's right, yeah (laugh) Woo! It's all about, yea yea It's all about All about love, love, love, love It's all about love, love, love Yea it's all about love love love It's all about love love love

After all don't you know? That it really all comes down to love After all don't you know that Gonna tell you what it's all about, yeah Yeah, it's all about love Yeah, it's all about love, yeah It's all about love, Love, love, love
